WEEK 2

VIRTUAL REALITY

Monday 6 January

3 - 5pm | Ages 10+

Virtual reality games and experiences. Participants can book one of six 20-minute sessions.

EASY MACRAMÉ

Tuesday 7 January

2 - 3pm | Ages 10+

Come and explore a knotty problem. An introduction to easy macramé, you will learn simple knots and take home your creation.

PAPER MACHÉ PINCH POTS

Wednesday 8 January

2 - 3pm | Ages 8+

Get your hands sticky with this fun waste paper activity and learn how to make paper maché. Wear your old clothes. At the end of this program you will have an unfinished pot to dry and decorate when you get home!

LITTLE BANG SCIENCE

Thursday 9 January

10 - 11am | Ages 5 - 9

Calling all little scientists! Little Bang Science introduces simple science experiments to young kids. Bring your adult lab assistant with you to help work through these fun experiments together. Adult accompaniment is a requirement of these sessions.

Little Bang Science funded by:

**HUNTER VALLEY
OPERATIONS**

ART WITH KEIRAN

Friday 10 January

2.15 - 3.45pm | Ages 8+

Have you ever wanted to try charcoal drawing? Now is your chance! Kieran's artistic expertise will guide you through the fun and experimental sides of charcoal drawing.

WEEK 3

WHAT DOES A SUSTAINABLE SINGLETON LOOK LIKE?

Monday 13 January
1 - 3pm | All Ages

Come and contribute to Singleton's sustainable future. This workshop will encourage residents to creatively express their response through:

- Photography
- Drawing
- Painting
- Writing

All entries will be showcased at the Singleton Arts and Cultural Centre with winning entries featured in the Singleton Edit!

LEARN TO CROCHET

Tuesday 14 January
1 - 2.30pm | Ages 8+

Come along and have fun learning to crochet. Create a small piece to take home and knowledge to last a lifetime!

DRUMMING WORKSHOP

Wednesday 15 January
1.40 - 2.20pm | Ages 5+

Feel the beat with this workshop! Learn how to keep rhythm, work as a team and make great music.

LITTLE BANG SCIENCE

Thursday 16 January
10 - 11am | Ages 5 - 9

Calling all little scientists! Little Bang Science introduces simple science experiments to young kids. Bring your adult lab assistant with you to help work through these fun experiments together. Adult accompaniment is a requirement of these sessions.

Little Bang Science funded by:

HUNTER VALLEY
OPERATIONS

KIDS DISCO

Friday 17 January
3.30 - 4.30pm | Ages 5+

WEEK 4

VIRTUAL REALITY

Monday 20 January

3 - 5pm | Ages 10+

Virtual reality games and experiences. Participants can book one of six 20-minute sessions.

SAMI BAYLY - EXTINCT ANIMALS

Tuesday 21 January

1pm - 2.30pm | Ages 6 - 14

Join author and illustrator Sami Bayly for a jam-packed session about nature, science and animals. Complete with drawing demonstrations, activities and stories from her wonderful Illustrated encyclopedia books, including Ugly Animals, Extinct Animals, and Dangerous Animals. You'll learn a bunch of new information and maybe even discover a gross fact or two!

Sami Bayly workshop funded by:

WOODWORKING - DIY PENCIL CADDY

Wednesday 22 January

1 - 2.30pm | Ages 8 +

Introduction to woodworking using basic tools, including a hammer, nails and glue. Go home with a handmade pencil caddy.

BOARDGAMES + PIZZA

Thursday 23 January

12 - 2pm | Ages 7+

Come along for a session of your favourite boardgames like Live Action Monopoly and Twister with pizza for lunch!

FLOATY HIPPO - STEM ACTIVITY

Friday 24 January

3.30 - 4.30pm | Ages 8+

Students will work in teams to design boats made of foil, paddle pop sticks and tape to hold the most hippos without sinking. Participants will have time to test their designs and make adjustments before the final competition.

WEEK 5

HULA HOOP WORKSHOP

Tuesday 28 January

1 - 2pm | Ages 6+

Have you joined the Summer Reading Challenge? Join up to be included in this free wrap up event – bookings required. All attendees need to be registered participants in the Summer Reading Challenge. Spots are limited!

Hula Hoop Workshop +

Friday 31 January | All ages

Book a time slot for your team:

- 9.30 - 10.30am
- 11am - 12pm

- 2 - 3pm
- 3.30 - 4.30pm
- 5 - 6pm

Challenge your teamwork and problem-solving skills in this fun mystery quest to the 'zoo' at the Library! This program is aimed at teams or families of all ages. Join in on the fun and see if you can complete the challenge!

WEEK 6

SWITCH SESSION!

Monday 3 February

3.30 - 4.30pm | Ages 7+

Jump into the world of Nintendo with a game of Mario Party on the Switch. There are giggles and friendly competition guaranteed!

LEGO SESSION

Tuesday 4 February

2 - 4pm | Ages 5+

Build your ultimate school – What would it look like? What activities would there be? Use your imagination to design the perfect school for you and see your dreams come to life – water slide into roll call, reading with animals, maths in space, or underwater science.

ALL DAY CRAFT TABLE!

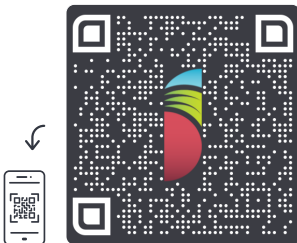

Wednesday 5 February

All day | All ages

Spend the last of the holidays getting crafty with an array of materials and items to make artworks from! No bookings required.
